

A10 Capital Hires Veteran Dealmaker to Head Up Tri-State Markets

Princeton, NJ – September 10, 2012 – A10 Capital, a full service, nationwide lending business specializing in small to middle market mini-perm commercial mortgage loans, today announced that it has hired Bruce Dashevsky to head up business development efforts in the Tri-State market (Connecticut, New Jersey and New York).

“We are pleased to have Bruce join our firm to address the demand for commercial mortgages that we are seeing in this market,” said Jerry Dunn, CEO of A10 Capital. “Bruce is an industry veteran who brings a wealth of commercial real estate lending experience. Our expansion into the Tri-State area continues to affirm A10 Capital as the lender of choice for commercial real estate investors in the small to middle markets.”

Mr. Dashevsky previously originated commercial mortgages for Metlife Capital and GE Capital.

“I am excited to join A10 Capital’s diverse team of commercial real estate and finance professionals,” said Mr. Dashevsky. “I see the demand in the Tri-State area for A10’s value-add/mini-perm loans for un-stabilized properties since most regional banks are significantly reducing their commercial real estate exposure.”
